## BAPTISTENING OF INTEREST FROM DIFFERENT SECTIONS

Rutland City's quota for the fourth Liberty loan was \$955,000 and the city raised \$1,310,800.

A brick addition to the shoddy mill of the John T. Slack corporation in Springfield will be used for a carbonizing plant.

The janitor at Hardwick academy last week cut down 17 young maples on the campus that were killed by the severe weather of last winter.

Prof. Frederic S. Lee of Woodstock has been sent to Europe and France on a special mission by the United States public health service.

An overturned lantern set fire to gasoline at a sidewalk tank in front of the store of Isaac Rosenberg in Burlington recently, and Mr. Rosenberg was somewhat burned himself in trying to put out the flames.

Rev. Sanford K. Meek, pastor of the Baptist church in Brookline, has sold all his household goods at auction and with Mrs. Meek has left for Ohio. They went by automobile. Mrs. Meek driving the family car and Mr. Meek a small automobile truck.

Frank B. Lawrence of Townshend is seeking his release from the house of correction, where he has served about three years for selling mortgaged property. He has settled with some of the creditors and claims he is now wrongfully held in the institution.

Lieut. James J. Porter, only son of William H. Porter of New York, trustee of Middlebury college and donor of the \$50,000 Porter hospital to be built in Middlebury soon, has been killed on the battlefield in France. From friends at the front the father learned that his son died instantly from the explosion of a German shell near by.

There is a possibility that the Howe Scale company of Rutland will have to cut its working force from one-third to one-half on Nov. 1 unless the war industries board modifies its order allowing companies manufacturing heavy scales only one-half the iron for a given period that it used during the same period last year.

Harry Wilmore, employed by the Norton Hardware company of Fair Haven and driving the company Ford truck, got stalled on a railroad crossing there a few days ago and was struck by a freight train, which threw him several feet and badly smashed the car. Wilmore received no injuries except a bad cut on the right leg.

Superintendent of Bellows Falls Schools W. C. McGinnis has been appointed county director for Windham county for the United States boys' working reserve and also county chairman of the victory boys' committee for the united war work campaign.

A chinook salmon, 36 inches long and weighing 19 pounds, was found dead in shallow water at the edge of Spofford lake, Brattleboro, last week. It had been partially covered with fungus but had been dead only a short time. A smaller salmon, also dead, was found near the same spot. A number of these fish have been seen in the shoal water of the lake the last few weeks.

Peter Rousseau and Antonio Cioffi, Rutland boys, were in court last week on the charge of breaking into a camp in Mendon owned by Charles E. Novak of Rutland. They admitted the charge and were sentenced to the Vermont industrial school at Vergennes for the remainder of their minority.

Rutland merchants are considering a plan of opening their stores at 9 a. m. every week day except Saturday, and at 10 p. m. on that day. The plan will be presented to the war service department of the federal government and the action of the merchants will be governed by the reply received.

Gardyne of Montgomery Center has been appointed a second lieutenant following a course of training at Camp Lee, Va.

Miss E. M. Kittredge of the New York botanical garden, who has been in Woodstock several months, is making botanical collections for Miss Billings, has returned to New York. Several interesting plants not before reported from this region have been collected, among them a rare orchid and a fern, but until more study can be given to some of the plants collected it will be impossible to say how many have not previously been found in the state.

VERMONT'S DUTY.

Only Slightly More Than Half Quota on War Savings Stamps.

Vermont did splendidly in meeting its quota to the fourth Liberty loan over-subscribing by approximately three million dollars. Now comes the uppermost again the duty of meeting the government's expectation in the purchase of war savings stamps.

The latest report by the state distributor of war savings stamps shows that Vermont has already bought \$3,703,760.59 worth of war savings and thrift stamps, making a per capita purchase of \$10.66. That leaves an amount to be raised only slightly larger than the over-subscription on the fourth Liberty loan. The ability of Vermont to over-subscribe that amount indicates how easily Vermont can make up the balance needed for the per capita investment in war savings stamps.

There are just two months remaining in which to raise the required per capita of Vermont. Those who pledged last summer to purchase a certain amount of the stamps must fulfill those pledges and go beyond them. Let there be no unfulfilled pledges. And those who are not pledged must invest to the limit of their ability from now to New Year's.

The honor and the splendid war record of the state of Vermont are at stake in this matter. To maintain our present position as twelfth state in the union and eventually to raise the full amount required of us by the government we must put forth desperate efforts during the next two months. Talk it up! Don't let Vermont fail in this war savings stamp drive!

## NOTES FROM THE FIELD

Rev. A. C. Ferrin of Lowell, Mass., has accepted a call to the pastorate of the First Congregational church in St. Albans, where his predecessor resigned to do work overseas.

The Congregational church in Hartland has for its new incumbent Rev. C. O. Gill, lately of Columbus, O. Rev. Ernest Graham Guthrie, a former Burlington clergyman, who has been in England and France and with the British and American armies at the front for several months, occupied his pulpit in the Union Congregational church, Boston, Sunday, for the first time since his absence.

Bishop J. J. Rice of the Roman Catholic diocese of Burlington has enlisted the aid of every parish priest in his diocese in furthering plans for the united war work campaign Nov. 11. Each priest is to select two laymen to co-operate with local campaign committees.

Having resigned the pastorate of the Bethany Congregational church in Montpelier, Rev. S. F. Blomfield is to minister to a congregation in Easthampton, Mass. Careless hunters discharging firearms on the premises of Rock Point, near Burlington, elicited from Bishop A. C. A. Hall of the Vermont Episcopal diocese, whose residence is on the Rock Point grounds, the suggestion that there are other and more important fields for men who are able to bear arms.

Rev. Walter Thorpe, a Congregational clergyman in Brandon, has been assigned an important chairmanship in the united war work campaign to be launched Nov. 11.

In 12 months 22 Vermont churches have united for public worship. Nine towns have only one Protestant church. While the quarantine requires Vermont churches to remain closed, Rev. Joseph Reynolds, rector of Trinity Episcopal church, Rutland, requests that members of his parish devote a part of each Sunday to read the psalms, gospel, epistle and collect for the day.

Rev. Mr. Keeler of Keene, N. H., has assumed the pastorate of the Brandon Methodist church, succeeding Rev. W. C. Carroll, who resigned to do evangelical work.

A Burlington newspaper opens its columns for brief messages from the city clergy while the quarantine continues. Rev. Arthur V. Allen, assistant superintendent of the state Baptist convention, is making his annual visitation among Addison county churches of that denomination.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
